

Practice Directions - No. 11 of 2000

Court of Appeal – Late Lodgment of Written Outlines of Argument

Through inadvertence, Practice Direction No 10 of 2000, when listing relevant paragraphs of Practice Direction No. 26 of 1999, failed to include para 21. Practice Direction No 10 of 2000 is accordingly amended, in its second line, and in the second line of the new para 8A, so that the bracketed words and figures read:

"(see paras 18, 19, 21, 29, 32)"
