## Request to appear remotely in a Domestic Violence Proceeding

If you wish to attend a court event by telephone or audio-visual link rather than in person you may seek approval. You must ask for permission to appear remotely for each separate court event.

Use this form if you would like the court to consider your request to appear remotely at a Domestic Violence proceeding.

A Magistrate will consider your request to appear remotely and court registry staff will advise you before the court date whether your request is granted. If you do not hear from the court registry about your request to appear remotely, you must attend court in person.
