

## Sexual Violence Case Management Pilot

### *Defence Counsel Time and Cost Tracking Questionnaire*

On 2 September 2024, the Chief Judge issued Practice Direction (PD) 3 of 2024 introducing a changed approach to the way sexual violence offence proceedings are managed in the District Court of Queensland.

This questionnaire seeks to assess the impact of the practice changes brought by PD 3 of 2024 on the time and costs incurred to Defence Counsel including barristers and solicitors.

The questionnaire assumes that participants have experience providing representation to defendants with criminal charges relating to sexual violence offences in Queensland.

1. Please indicate your role in sexual violence offence proceedings
